

CONFIDENTIAL
 To Whom It May Concern

The Daily Rates itemised below are inclusive of all on-site days regardless of circumstances (i.e. working or not working). Official public holidays are excluded, however, subsistence and “per diem” rates remain applicable to these days even if work does not take place.

Travelling time, to and from the site location, is based on the Daily Rate or a proportion thereof.

Per Day	1 x Field Technician / Tools / Test Equipment	US\$1200.00
Per Day	2 x Field Technician / Tools / Test Equipment	US\$1700.00

The Daily Rate includes provision of the following Test Equipment:

- HP8563E Spectrum Analyser
- HP 437B Power Meter and RF Head
- Calibrated X-guide couplers and leads
- Trace production, soft copy
- (Equipment calibrated, where applicable, to 26 MHz minimum)

Additional costs:

Flights and transportation as applicable	Charged at cost
Hotel / Accommodation / Subsistence.....	Charged at cost
Per diem (per man, per day).....	US\$100.00
Small stores / Misc. Expenses.....	Charged at cost
